ANNOUNCEMENTS

LABOR INSPECTOR

Commends Postum Plant.

Lansing, Mich., Sept. 21.—The pure
food factories of the Postum Cereal
Co., Ltd., of Battle Creek, Mich., which
are visited by from 15,000 to 18,000
tourists annually, entertained an unex-
pected visitor the other day in the per-
son of Sylvester Greusel, Michigan
State Factory Inspector.

With practiced and unassuming eye
the state official investigated the great
group of factory buildings where Post-
um Cereal, Grape-Nuts and Post Toasties
are manufactured. The result of his
visit was shown by the following
special report which he made to the
Michigan State Labor Commission.

Mr. Richard Fletcher, Commissioner
of Labor and Statistics, Lansing, Mich.,
dear Sir: I have this day (Sept. 20,
1910) carefully inspected every depart-
ment of the Postum Cereal Co., Ltd.,
Battle Creek, Mich., and I think they
are entitled to an especially complimentary
report for the following reasons:

FIRST. All the mechanical appli-
cances of this splendid factory are in
perfect condition—everything safe-
guarded.

SECOND. The sanitary conditions
are of the best. Everything is fur-
nished employees—fresh water, wash-
rooms, dressing and toilet rooms.

THIRD. With the large number of
persons employed in the breakfast-
food department, there have been no
accidents.

FOURTH. I find the statistics of the
wages paid most commendable. The
highest I have found in any factory I
have inspected in Michigan.

FIFTH. They do not employ any
child labor under 16 years of age.

IT IS A MODEL INSTITUTION IN
EVERY RESPECT.

Yours respectfully,
(Signed) Sylvester Greusel, State In-
spectors.

Live in the Present.

Don't be always thinking of and
looking forward to a good time that
you hope is coming in the future. Folk
who do this are apt to overlook the
opportunities for happiness in the
present and so miss a good deal that
they might have if they would only
take it. Try to enjoy life as it is, for
in so doing you will be preparing your-
self for other opportunities of enjoy-
ment that comes. You must exercise
your power of enjoyment if you want
to keep it.—Home Chat.

Your Body.

The human skull and the lower
limbs each contain 30 bones. The
globe of the eye is moved by six
muscles. The normal weight of the
human liver is between three and four
pounds. The human skeleton, ex-
clusive of the teeth, consists of 206
bones. Each ear has four bones. The
wrist contains eight bones, the palm
of the hand five, and the fingers 14.
There are over 600 muscles in the
human body.—Toledo News-Bee.

Our Day Dreams.

The stuff of which our day dreams
are made is for the most part of very
cheap material. We seldom weave
into them the threads of our inmost
spiritual life. We build castles in
Spain, and forecast adventures in Bo-
hemia. But the castle is without a
real master. The hero of the adventure
is vague and misty. We do not
clearly recognize his face, or know
what is in his heart.—Henry Van
Dyke.

Eggs With Three Yolks.

Eggs with two yolks occur not un-
commonly, but eggs with three yolks
are exceptionally rare. Such an egg
was recently laid by a barred Ply-
mouth rock pullet at the Maine ex-
periment station, and is described in
some detail in a bulletin recently is-
sued. The egg was somewhat above
the average size, but no other abnor-
mal feature was noticeable.

A Wise Precaution.

The day before she was to be mar-
ried the old negro servant came to
her mistress and entrusted her sav-
ings in her keeping. "Why should I
keep it? I thought you were going to
get married," said her mistress. "So
I am, Missus, but do you 'spose I'd
keep all dis money in the house wid
dat strange nigger?"—Success Maga-
zine.

Confused.

Bacon—"The discovery was made in
Canada, a year or so ago, that the
musk rat could be treated and dyed
to imitate seal so nearly as to avoid
detection." Egbert—"I don't care how
nice they are treated. I don't believe
a muskrat could ever bark like a seal."
—Yonkers Statesman.

Proposals for State Road Work

SEALED PROPOSALS will be re-
ceived by the State Highway Com-
missioner, Room 27, Capitol, Hartford,
Conn., until 2 p. m. Thursday, Oct. 13,
1910, for sections of gravel road in
Voluntown and Mansfield and one sec-
tion macadam road in Voluntown. In
accordance with plans and specifica-
tions.

Bids will state the price as per spec-
ifications. The State Highway Com-
missioner reserves the right to increase
or decrease the number of feet to be
improved, after the contract is let.

All bids must be accompanied by a
bond of not less than one-third of the
cost of the work. Any bidder to whom
contract has been awarded, refusing to
sign the contract at the prices offered
and furnish a surety company bond, or
certified check shall forfeit from his
bond a sum equal to the difference in
price between his bid and the next
lowest bidder. Plans and specifications
may be examined at Briggs Manufac-
turing Co. for Voluntown and James
C. Greene's for Mansfield, or at the
office of the State Highway Com-
missioner, Room 27, Capitol.

The State Highway Commissioner re-
serves the right to reject any and all
bids.

Dated at Hartford, Conn., Oct. 2, 1910.

THIN FOLKS MADE PLUMP

Samose Ideal Flesh Builder Says
Druggists The Lee & Osgood Co.

Thin people are simply suffering
from want of nourishment.
You can readily get plump and rosy
by using Samose, a tissue forming
food, which, when taken with the
meals, immediately becomes a flesh
building and life giving element in the
blood.

Use Samose for a few days and in-
crease of life, vigor and weight is felt
and you will notice yourself getting
plump and rosy.

The Lee & Osgood Co. are introduc-
ing Samose to their customers and
recommends it highly. They give the
best proof of their belief that Samose
will do all that is claimed for it by
offering to refund the money if it
fails to increase the weight and re-
store good health.

Sent postpaid on receipt of price 50c.

No Wonder.

An old gentleman had fallen off a
car and when assisted to his feet by
the conductor, looked at the car to
find the number. He read "1776."
"Well, no wonder I fell from that old
hulk," he said, "the durned thing has
been here since the Revolution."

Perfectly Disgusting.

The most disgusting man in town the
other day was the clerk in a ten-cent
store on Euclid avenue. A woman
customer had just been in asking for
the shoe department. Shoes, mind
you, in a ten-cent store.—Cleveland
Plain Dealer.

In Sunday School.

Superintendent—"Can any little boy
tell me why we have the eagle in
churches? See, here is one on the
lectern and one in this stained glass
window." Tommy Howard—"I know,
The eagle is a bird of prey."
